

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

January 15, 2025

SUBJECT: NOTICE OF FUNDING OPPORTUNITY (NOFO) NO. 31310025K0001,
AMENDMENT NO. 000001

Dear Applicants:

Pursuant to the authority contained in the Federal Grant and Cooperative Agreement Act of 1977, as amended, and the Atomic Energy Act of 1954, as amended, the Nuclear Regulatory Commission (NRC) hereby issues the above referenced Notice of Funding Opportunity (NOFO) for the program titled, "U.S. Nuclear Regulatory Commission Notice of Funding Opportunity (NOFO), the University Nuclear Leadership Program, Research and Development Grant, Fiscal Year (FY) 2025."

This NOFO was released on November 27, 2024, and application deadline remains January 31, 2025 (no change). It is anticipated that this NOFO will result in the award of multiple grants.

Amendment no. 000001 is issued to revise Attachment 3_ NRC Terms and Conditions and incorporate Attachment 5_ Question and Answer.

Amendment no. 000001 makes the following change:

1. Attachment 3_ NRC Terms and Conditions, page 3, the clause entitled "Change (Transfer) of Recipient Organization" is deleted in its entirety and replaced with the following:

Change (Transfer) of Recipient Organization

A Change of Recipient/Grantee Organization is the transfer of the legal and administrative responsibility for a grant-supported project or activity from one legal entity to another before the completion date of the approved project period.

A change of recipient/grantee organization is not allowed under this program. After the applicant submits the grant application, no new subrecipients/sub-awardees are allowed.

All other terms and conditions remain unchanged.

Thank you for your interest in the NRC Research and Development Grant Program.

Sincerely,

M'Lita Carr
