Notice:

All terms of MAA and Industry Guide apply unless specifically addressed in Call.

2.0 Full Text Announcement

2.1 Program Description:

The Air Force Research Laboratory, Human Effectiveness Directorate (RH) and the United States Air Force School of Aerospace Medicine (USAFSAM), is soliciting white papers (and potentially later technical and cost proposals) on the research located in the attached Statements of Objectives to the MAA.

2.2 Statement of Objective/Description of Technical Areas:

Please see all Technical Areas listed in the Statements of Objectives attached to the CHEERS MAA.

Address technical questions to the org box listed below:

AFRL.711HPW.MAA@us.af.mil

Address contracting questions to the org box listed below:

AFRL.711HPW.MAA@us.af.mil

2.3 Deliverable Items:

- a. Data Items: TBD
- b. Software: TBD
- c. Hardware: TBD
- d. Other: TBD

2.4 Schedule:

- a. Overall Period of Performance: TBD
- b. Data Item Delivery: TBD
- c. Software Delivery: TBD
- d. Hardware Delivery: TBD

2.5 Other Requirements:

- a. **Program Security Classification:** TBD – See CHEERS MAA, Section 2.7 (a) Program Security Classification for further information.
- b. **Export Control:** TBD – See CHEERS MAA, Section 2.7 (d) Export Control for further information.
- c. **Contractor Performance Assessment Reporting System (CPARS):** May apply to FAR-based awards resulting from this Solicitation. See CHEERS MAA Industry Guide, Chapter 6 for additional details.

2.6 Science and Technology (S&T) Protection:

See MAA paragraph 2.8 Science and Technology (S&T) Protection and CHEERS MAA Industry Guide, Chapter 3 for further information.

2.7 Other Information:**2.7.1 Government Furnished Property (GFP) Availability:**

See CHEERS MAA, Section 2.9.1 Government Furnished Property (GFP Availability) for further information.

2.7.2 Base Support/ Network Access:

See CHEERS MAA, Section 2.9.2 Base Support/Network Access for further information.

2.7.3 Multiple awards subject to Fair Opportunity:

Not applicable.

2.7.4 Data Rights Desired:

See CHEERS MAA Industry Guide, Chapter 3 for additional details.

2.7.5 Military Equipment Valuation:

TBD - Dependent upon the approach proposed.

2.7.6 Human or Animal Subject Use:

TBD - Dependent upon the approach proposed.

2.7.7 Hazardous or Radioactive Materials:

TBD - Dependent upon the approach proposed.

2.7.8 Ozone Depleting Substances:

TBD - Dependent upon the approach proposed.

2.7.9 Ground or Flight Testing:

TBD - Dependent upon the approach proposed.

3.0 Award Information:

Anticipated funding: TBD - No award will be made under this solicitation until funds are available.

4.0 Cost Sharing or Matching:

Cost Sharing is not required.

4.1 Other:**4.1.1 Foreign Participation:**

See CHEERS MAA, Section 4.4.1 Foreign Participation for additional details.

4.1.2 White Paper Limits:

There are no limits on the number of white papers an offeror may submit. If an offeror submits multiple white papers, each white paper must provide unique approaches.

5.0 White Paper / Proposal and Submission Information:**5.1 Overview:**

This Solicitation consists of a Two-Step Process described in detail below. White Papers/Proposals submitted shall be in accordance with the CHEERS MAA, the CHEERS MAA

Industry Guide, and this Solicitation. The Government intends to review white papers/proposals and award some, all, or none of the proposals received without negotiation/discussion; however, the Government reserves the right to negotiate with those offeror(s) whose proposal is selected for funding.

ONLY WHITE PAPERS ARE BEING SOLICITED AT THIS TIME.

5.2 First Step (White Paper) Instructions:

See CHEERS MAA, Industry Guide Chapter 4.

5.3 Second Step (Proposal) Instructions:

See CHEERS MAA, Industry Guide Chapter 4. Any deviations from the CHEERS MAA Industry Guide will be identified in the Request for Proposal (RFP) issued to those offerors who have submitted White Papers identified as further interest to AFRL.

6.0 White Paper / Proposal Review Information:

See CHEERS MAA, Industry Guide Chapter 5.

7.0 Award Administration Information:

7.1 Award Notices:

An email response will be sent notifying offerors that their white paper has been received. Offerors will be notified of the disposition of their white paper. Please note: 180 days is a notional timeframe for a white paper to be reviewed and could be longer based on the government white paper review cycle. Those offerors submitting white papers assessed as meeting Air Force needs will be asked to submit a technical and cost proposal. An offeror submitting a proposal without first submitting a white paper will not be eligible for an award. The cost of preparing white papers in response to this Solicitation is not considered an allowable direct charge to any resulting or any other contract; however, it may be an allowable expense to the normal bid and proposal indirect cost as specified in FAR 31.205-18.

8.0 Other Information:

8.1 Acquisition of Commercial Items:

Based upon market research, the Government is not using the policies contained in FAR Part 12, Acquisition of Commercial Items, in this solicitation.

8.2 Representative List of Clauses

Attachment 1, Representative List of Provisions and Clauses is provided for informational purposes. Individual Representations and Certifications may be requested as part of an RFP issued to those offerors who submitted White Papers determined to be of further interest to AFRL. The FAR(S) clauses referenced in the attachment may not apply to awards made pursuant to Non-FAR authorities, however those efforts may utilize the attachment as a starting point for negotiation of articles.
